

Dear artists,

we are happy to receive your application for our Hutfestival. In advance, please read our information properly so that we can celebrate a fantastic festival together. Normally we can offer 8 fixed performance locations and 7 more areas for special events.

### A for accommodation

We cover the costs for accommodation in one of the hotels near the festival area. This allows you to start your day in short distance in a relaxed and well rested way.

### C for catering

We provide one warm meal per performance day and soft drinks (vegetarian alternatives are possible as well). Accompanying persons may also take part in the catering for a small fee. Water is always available at all performance locations.

### P for performance

Friday and Sunday: 2 performances  
Saturday: 3 performances

### D for duration

20 to 30min, longer performances are only possible in exceptional cases, please talk to us

### F for festival

Always the last weekend of May  
Friday 3 to 10pm  
Saturday 12 to 11pm  
Sunday 12 to 6pm

### F for fee

Your art is worthy. Therefore, we would like to honor your performance in paying a fee. Since Hutfestival offers free entrance to all visitors, our budget is limited. We kindly ask for your understanding.

C for collected money

All the money that is collected after your performance is going to be divided. 50/50 for you and the festival. We are counting and dividing directly after the performance at the location.

### C for change

The locations and times are scheduled some weeks before the festival. To make it as fair as possible for every artist, we are distributing locations and times equally. You are going to receive this plan via email.

## I for information

No matter what questions you may have we are trying our very best to help you. At the information point and at every performance location you will find a member of our team who is ready to answer your questions.

## J for jury

Every application will be reviewed by a jury. It decides upon all participants. Please note that this procedure may last some time due to the huge number of applications.

## M for musician

All music acts must change stage every 30min as well. Therefore, long setups are not realizable. Soundcheck is included in your 30min performance slot.

## R for runner

To be able to support you concerning props and instruments we offer a team of runners. Please speak to our colleagues at the information desk directly at your arrival if you need assistance by our runners. It is not possible to enter our festival area by your own car.

## S for sun is better than b for bad weather

As you know the Hutfestival takes place outdoor in the Chemnitz City Center. Small tents are handy at every performance location either for heavy sun or light rain. However, it may happen that you are not able to perform because of slippery conditions or something else. Please talk to us. We always try to find a solution.

## T for technical equipment

At every performance location you will find a professional technician and appropriate light and sound equipment. You do not need to bring mics or speaker.

## Last but not least

We are really looking forward having every single one of you with us. Since we are aware that every festival has its own specifics, please let us know if something bothers you. We are only able to help you when we know about it. Our overall goal is to create a fantastic Hutfestival for the audience but also for you. Let's all be happy and celebrate!
